

# Holiday Weekend in

# New York

December 9 & 10, 2011

Support the International Corrugated Packaging Foundation's operations & programs by attending the Fourth Annual Holiday Weekend in New York.

**Socialize and enjoy the best New York City has to offer during the holiday season. Network and strengthen** your ties within the industry. Invite clients and reward key employees. And get in some holiday shopping and sightseeing... all while supporting the International Corrugated Packaging Foundation (ICPF)!

**Participants** (integrated manufacturing executives, box plant owners & executives, and service & supplier executives) will begin with a **Friday** evening reception hosted and sponsored by Anthony Pratt, Mike and Renie Harwood, and Pratt Industries. On **Saturday**, participants will attend a matinee performance of a *War Horse* that has been nominated and is anticipated to win 5 Tony awards including "Best New Play". That evening The Bobst Group, NA will sponsor a reception at the renowned "21 Club" restaurant, to be followed by dinner there.

**In addition to participating**, many corporate executives have invited clients, potential ICPF Corporate Partners, and rewarded key employees from their companies with this special weekend holiday function. There are corporate opportunities for sponsoring a reception, as well as tables for special clients and guests.

*Registration Form on Back*

**Free time** on Friday afternoon, Saturday and Sunday morning will allow for holiday shopping, sightseeing, museums, more Broadway plays, or a leisurely brunch.

**Past supporters and participants** have included Akers Packaging Services, Amtech, Atlas Container, Bates Container, Bay Cities Container, The Bobst Group, Brian Thomas Display, Cel Chemical, Central Container, Color Resolutions International, Custom Packaging, Esko, Flexo Concepts, Fitzpatrick Container, Gerber Innovations, JB Machinery, Lansmont Corporation, MarQuipWard-United, MichCor Container, Mid-Atlantic Packaging, Morphy Containers, Packaging Corporation of America, Pratt Industries, Rock-Tenn, Simpson Paper, Smurfit-Stone Container, Sound Packaging, Sumter Packaging, Temple-Inland, Testing Machines, Inc., Triad Packaging, York Container, the Association of Independent Corrugated Converters, and the Fibre Box Association. From the early responses, it is anticipated this fourth year will have the largest attendance ever.

Three time participant, John Bird, CEO of JB Machinery, summed up the ICPF group's responses to the annual event. *"It is wonderful to be able to mix with industry peers in a totally informal and social environment"*.
